

Job Description

POST	Veteran Programme Lead - Scotland		
REPORTS TO	Head of Operations		
HOURS	37.5 hours per week		
SALARY	£27,000 full-time salary		
CONTRACT	2-year fixed term contract or secondment		

Purpose:

To promote the SMART Recovery Veterans Programme in Scotland and provide a single point of contact for veterans seeking recovery and organisations that support veterans. To deploy a strategy to develop Veterans SMART mutual aid meetings and Family & Friends meetings in community, addiction services, housing, residential and criminal justice settings. To identify, recruit, train, and support meeting facilitators to develop their skills, to ensure meetings are well run and sustainable. To lead the quality assurance system for the programmes.

To market the programme, raise awareness, create a professional network, evaluate and generate new business for the charity, this is a national leadership role for Scotland.

Mirror the work undertaken by the Programme Lead for England and work in partnership with them to create spaces for veterans in recovery UK wide. The role is funded for 2 years by the Corra Scot fund, and as such is a 2-year post. We are willing to discuss secondment options. As part of this role you will need to meet KPIs in line with the funding.

This is a home-based role, with regular travel required including occasional overnight stays at various locations in the UK.

The main activities and responsibilities are:

- 1. To provide a single point of contact to veterans seeking recovery and to organisations supporting veterans in Scotland.
- 2. To lead veteran specific meetings regularly using the SMART Veterans model.
- 3. To identify opportunities for generating income through grants, fundraising, sponsorship, licenses and philanthropy.
- To take a structured approach to the development and support of UK SMART Recovery Veterans mutual aid meetings.
- 5. To develop and support meeting facilitators providing advice and solutions as necessary.
- 6. To develop Veterans Family & Friends meetings.
- 7. To link with prisons and through care to encourage the adoption of the programme in order to create continuity.
- 8. To ensure monitoring data is captured and reporting is completed and returned in line with reporting requirements.
- 9. To lead the quality assurance function and review the quality of meetings, providing feedback and

encouragement to facilitators, promoting good practice.

- 10. To provide network meetings for SMART Recovery Veterans Meeting Facilitators to promote learning, encouragement and development of skills.
- 11. To attend events in the defined area to promote UK SMART Recovery including making presentations to stakeholders.
- 12. To deal promptly and courteously with enquiries, e.g. from peers and their friends and family looking for meetings, from peer meeting facilitators and from partner organisations.
- 13. Respond to positive and negative feedback and complaints as per the complaints policy.
- 14. To deliver Facilitator Training Course online or face to face as required including after-training skills development such as tool time sessions.
- 15. To provide any other reports and monitoring data as required by the Senior Management Team for the grant awarding body.
- 16. To attend staff team meetings, both online and face to face and contribute to projects, work plan, events as required.
- 17. To take part in professional development activities including training, regular supervision, and annual appraisal.
- 18. To undertake other tasks as may be reasonably required.

Please note that this job description may not necessarily be a comprehensive description of the post. It may be reviewed and subject to modification or amendment at any time after

consultation with the post holder.

Additional requirements:

- To be able to work from home. A laptop and mobile phone will be provided (Essential).
- A clear DBS/PVG check (Essential).
- To be able to undertake regular travel with occasional overnight stays (Essential).
- A full valid driver's license (Desirable).
- For those with direct lived experience of addiction to be able to demonstrate a balanced life and longevity of stability is important for this leadership role.
